

March 17, 2021

Dear Residents and Family Members of ,Tealwood Senior Living,

We want you to all know how excited we are with the revised Visitation and Quarantine Guidance documents from CMS, the CDC, and the department of health.

Here are the most important things for you to know:

- Our visitation is still scheduled- please contact the community for assistance.
- We have established visitation private centralized visitation areas.
- All visitors will be screened upon entrance.
- We will maintain all core principles of social distancing, including proper PPE (masks), social distancing, and hand hygiene.
- Fully vaccinated, can choose to have close contact (including touch) with their visitor while wearing a well-fitting face mask (if tolerated) and by performing hand hygiene before and after.

There are also important updates to the quarantine requirements:

- Fully vaccinated new admissions are not required to quarantine.
- Fully vaccinated tenants/residents do not have to quarantine
- upon return from non-medical appointments or other outings.

We have posted copies of the guidance documents on our website.

Tealwood remains committed to continuing to do the work to protect the health of your loved ones and we are excited to progress in these steps to relaxing restrictions. Your patience is very much appreciated as we overcome our battle with the COVID-19 virus and move forward with fewer restrictions.

We appreciate your support and help in keeping yourself and everyone around us safer. For COVID-19 updates, please refer to our website at:twsl.com

To arrange a visit, please contact the Executive Director of your community.

Sincerely,

The Tealwood Senior Living Team
